Food Bank Needs Your Help

In these tough economic times, the need for a food bank is greater than we've ever seen before. We have seen a drastic increase in Emergency Food requests. The need is urgent. As a member of our community and because we cannot do it alone, we are looking to you for help and support during these tough times. We need you to contribute to this integral service which Agincourt Community Services Association provides to our community. We ask our supporters for assistance

by holding food drives, or financial donations that enable us to purchase food in bulk. It often surprises people what the face of poverty looks like. We understand that a lot of us are under a lot of pressures but we are asking for your help. We rely on the good will and collective response of the community to donate to help our neighbours in need. We are in desperate need of canned meats, rice, pasta sauce, canned vegetables, beans, and tuna. We hope we can count on your support. As always if you need a

food order, our food bank is open on Mondays 10am-3pm, Thursdays from 12pm-4pm and Fridays from 10am-3pm. We are now taking appointments on Tuesdays and Wednesdays so please call on those days for a food bank appointment. For more information, call 416-321-6912 ext 239.
