Program Descriptions (* Programs are subject to change without notice. Please check for updates on our website!)

ACSA Child & Family offers FREE high quality virtual programs for parents/caregivers with children ages 0 -6 years of age. Our aim is to support the child's developmental well-being, through social/ emotional skills, physical skills, communication skills, etc. We follow the expectations from pedagogies such as How Does Learning Happen and ELECT.

EarlyON Drop In/ Together Time

(0 -6 Years) This program offers opportunities for caregivers and families to come with their children and enjoy a range of programs and activities. There will be a variety of programs including arts and crafts, physical and sensory activities for development and relaxation, school readiness activities, circle time with songs and stories, nature exploration and healthy snacks.

Messy Play (2 - 6 Years)

Come to enjoy and explore messy play with your children. We provide **materials, ingredients, and** recipes to make playdoh, slime and block for sensory play. Sensory play supports language development, cognitive growth, motor skills, problem solving and social interaction.

Nature Exploration (0-6)

Please join us for a fun session filled with nature exploration through the five senses.

Read and rhyme (0-6 Years)

This program focuses on developing language skills in a fun and interactive way where children will learn through short stories, poems and rhymes.

Multisensory Room

SCBC's Multisensory room is a specially designed environments which give families an opportunity to completely relax or access a wide range of sensory experiences for therapy, learning or fun! To access this room, please connect with a EarlyON facilitator at SCBC!

Little Builders (3-6 Years Old)

This activity is great for fine motor skill along with creativity, team work, problem solving, mathematical and analytical skills, lateral thinking, planning skills, communication, self-esteem, while having fun.

STEM/STEAM Play (0 - 6 Years)

This program explores science, technology, engineering, math and arts through play, to give children exposure to hands on learning in these areas.

Arts and craft (2-6 Years) Come and enjoy different creative activities at SCBC! We will have different creative activities that help children express their creative side, work on their fine motor skills and develop their language and cognitive skills.

Music and Movement (0-6 Years)

Let's move to the rhythm of our own music making with different instruments as well as to a variety of different music genres. Children will learn new sounds, words, patterns through music and enjoy learning how to move and control their bodies, sway, swing, and dance.

EarlyON Play to Learn (0-6 Years)

This program will allow opportunities for families and their children to participate in unstructured early learning activities to enjoy the use of the play materials and resources. This program is designed to encourage quality adult and child interactions in an age appropriate, child focused environment that enhances and promotes healthy child development.

Active Play/ Busy Bodies (0-6 Years)

This program offers opportunities for families to explore different physical activities and movements.

Baby Play Group (0-18 months)

Please join us for a fun morning filled with songs, and activities for infants.
