Program Descriptions

<p>Healthy Meal and Active Play (0-6 Years) This interactive program enhances and promotes healthy eating and active play. Together we will prepare healthy meals, share ideas and communicate about the importance of eating healthy while using Canada's food guide. This program will also focus on physical activities, and allow time to eat small meals together.</p>	<p>Read and rhyme (0-6 Years) This program focuses on developing language skills in a fun and interactive way where children will learn through short stories, poems and rhymes.</p> <p>STEM/STEAM Play (0 – 6 Years) This program explores science, technology, engineering, math and arts through play, to give children exposure to hands on learning in these areas.</p>	<p>Music and Movement (0-6 Years) Let's move to the rhythm of our own music making with different instruments as well as to a variety of different music genres. Children will learn new sounds, words, patterns through music and enjoy learning how to move and control their bodies, sway, swing, and dance.</p>	<p>Creative Play (0-6 Years) Creative Play encourages creative expression through play-based learning for children 0-6 years with their parents or caregivers. This program focuses on children's early development and includes cognitive, language and psycho-social activities.</p>
<p>EarlyON Drop In/ Together Time (0 -6 Years) This program offers opportunities for caregivers and families to come with their children and enjoy a range of programs and activities. There will be a variety of programs including arts and crafts, physical and sensory activities for development and relaxation, school readiness activities, circle time with songs and stories, nature exploration and healthy snacks.</p>	<p>Little Builders (3-6 Years Old) This activity is great for fine motor skill along with creativity, team work, problem solving, mathematical and analytical skills, lateral thinking, planning skills, communication, self-esteem, while having fun.</p> <p>Active Play/ Busy Bodies (0-6 Years) This program offers opportunities for families to explore different physical activities and movements.</p>	<p>Family time (0-6 Years) Family time encourages children to come together with their parents/caregivers and interact through play-based learning for children 0-6. Program will include team building activities and games that support children and family. This program focuses on children's early development and includes cognitive, language and psycho-social activities. Older siblings are also welcome.</p>	<p>Readiness to Learn This program is for children entering school during September 2020, 3+ years old and their parents/caregivers. This program includes activities that improve cognitive thinking, motor skills, socialization and independence to help children and their parents/caregivers feel more confident when starting school.</p>
<p>Messy Play (2 - 6 Years) Come to enjoy and explore messy play with your children. We provide materials, ingredients and recipes to make playdoh, slime and block for sensory play. Sensory play supports language development, cognitive growth, motor skills, problem solving and social interaction.</p>	<p>Arts and craft (2-6 Years) Come and enjoy different creative activities at SCBC! We will have different creative activities that help children express their creative side, work on their fine motor skills and develop their language and cognitive skills.</p>	<p>EarlyON Play to Learn (0-6 Years) This program will allow opportunities for families and their children to participate in unstructured early learning activities to enjoy the use of the play materials and resources. This program is designed to encourage quality adult and child interactions in an age appropriate, child focused environment that enhances and promotes healthy child development.</p>	<p>Baby Play Group and Healthy Nutrition (0-18 months) Please join us for a fun morning filled with songs, and activities for infants and caregivers. Our program will also include an opportunity to prepare and partake in a healthy nutritious small meal.</p>
